

Wisconsin Youth Soccer Association (WYSA) requires that no player from Illinois will be allowed to be rostered to a team until a release from Illinois has been approved. Once I receive the release form from Illinois I will forward it to WYSA and then they will release the player to be rostered to their team. This will be a yearly requirement for all Illinois players regardless if recreational, academy or select.

**For Illinois players playing in Wisconsin here is the link:**

<http://www.illinoisyouthsoccer.org/forms.htm>

Please follow the out of state player registration form. We know that by scanning the information needed saves time over mailing it. Also, if it ask for a contact email address as to where you want the approved out of state application to be sent back to please put KASL@kenoshasoccer.com. If you prefer that the approval be sent to you then please forward to KASL@kenoshasoccer.com ASAP.

Thank you  
KASL
